Subject: March Safety Meeting

At the March Safety Meeting, Seth Bunker talked about emergency checklist procedures. Jeff Lamont talked about SAR/ELT procedures and equipment. We have the Spot Landing Competition coming up on April 10th against the Beale Aero Club. We need to volunteers to be spotters for the competition. There is also time to sign up if you haven't already. If you are in the contest, get out and practice! We don't want Beale to take home the prizes from our turf.
